

**HOW TO BE POLITE**

**Children May Be Taught Manners When Young**

**MUCH EASIER THAN WHEN OLD**

**True Politeness is a Test of Gentle Breeding and is the Sesame to Best Society.**

It is no wonder that there are so many ill-bred men and women in the world when one sees the lack of pains taken by parents to instruct their little ones in terms of table and social etiquette that are so easily taught to the pliable infant mind, but which left unnoted are soon supplanted by actions that become bad habits in a very short time.

It is no unusual thing to behold a child drinking from its saucer with no word of admonition from the mother or

WOMAN WALKING TOILET IN VIOLET CLOTH AND CREAM CHINA SILK.
